

KZOW SPORTS GROUP THE WARRIOR SPORTS NETWORK

Welcome to the Warrior Sports Network. Everyone in this group will have responsibilities for each and every home Waldorf Warriors Athletic Event whether you know it or not. These responsibilities will include the likes of running downstairs board operations, creating productions to play live during the broadcasts, creating graphics to post leading up to the events, and for those of you interested; calling the action as a commentator. Your director is Mitch Keeran.

Your assignments will differ on a weekly basis. Late work will be deducted to half credit after a week late, and not accepted after 2 weeks. If you can't make class one week or have difficulty with an assignment, text Mitch.

Below is the complete broadcasting schedule for the fall and winter of 2018. KZOW is teaming up with Waldorf SID Mike Stetson to combine audio play by play (and color) commentary with video coverage on waldorfwarriors.com. We will still be bringing a livestream from our own website KZOWFM.com. **Board Ops are still just as important to the broadcasts as commentary is, and you are required to serve at least 8 total board ops that are vital to your grade in the sports group. If you are absolutely unavailable to cover a board on a week, talk to Mitch.**

If you were interested in serving KZOW as a commentator for WSN, or even applying for a director's position, talk to Diana or Mitch. There's always room for promotion to those of you who feel qualified.
